The day of your party...

- You may arrive up to 10 minutes prior to the start time of the party. Your party host will greet you at the party area (Zoo Farm Playground May-October and Learning Center Classroom December-April). We will have a wagon available for your use if you may need it to transport your goods or supplies. Please ask the birthday party host when you check into your space. The Party Child's family vehicle will have dedicated parking space next to the Learning Center.

What is the party set-up?

- There are 5 picnic tables outside and 4 six foot tables inside with two banquet-style tables for food, dessert, and gifts.

May I bring my own food and drinks into the zoo?

- You are welcome to bring your own food and drinks. The zoo does not have a space for storing food or beverages. If you are bringing food/beverages (non-alcoholic) that need to be kept cold, please pack them in a cooler until serving.
- Food, candles, serving utensils, plates, etc. If you do forget something on the day of your party, ask your party host as we may have what you are missing. If the Congo Café is catering your party, they will supply all the needed paper goods (plates & napkins), but **not** forks, spoons, etc.

What if there is inclement weather?

- Parties are held rain or shine. Parties booked in our Zoo Farm Playground will be moved into our learning center classroom if there is inclement weather.
