SPONSORSHIP OPPORTUNITIES
Welcome!

As one of the state’s oldest zoos and an iconic regional landmark, the Potawatomi Zoo in South Bend, IN continues a rich tradition of connecting our community to wildlife and to each other. The Potawatomi Zoo has been helping to create multi-generational memories connected to nature for over 100 years.

The Potawatomi Zoo invites you to become a partner supporting Zoo conservation, education and environmental initiatives through a sponsorship. We are a premier marketing property that can help you deliver your message to your target audience in an uncluttered environment through a number of cause-related marketing opportunities. Becoming a sponsor at the Potawatomi Zoo can help you reach consumers in a way traditional advertising does not — by reaching them through their daily life experience.

From $1,000 to $100,000 +, there are ways to make wise marketing decisions in partnering with the Zoo that will provide ROI on many levels, from consumer exposure, activation, social media campaigns and most importantly exposure to over 220,000 visitors each year. Unlike other traditional marketing, the Zoo can provide sponsors with opportunities for authentic engagement, storytelling and impact.

Please consider joining our animal kingdom and show your employees your commitment to the environment and investment in your community.

This Zoo is for YOU.
