Organization Trip Information

Organization Trip Group Admission Rates:

You must have an organization group of **30 or more paid admissions (excluding Zoo Members and babies) during the week** to receive the organization trip group rate. To receive group rates, a completed registration form must faxed to the Zoo, and the organization must receive confirmation.

Adults (ages 15+)	\$7.50
Children (ages 3-14)	\$6.50

Rates are subject to change

Drop Off & Parking:

Buses will be greeted by a zoo employee at the Field Trip Bus Drop Off area and given instructions for unloading. Please do not unload until you have been cleared to do so. Please be respectful of other buses waiting to unload.

Bus parking is not available in the main parking lot. Buses may park in Kid's Kingdom parking lot, on Wall Street, or on Greenlawn Avenue.

Entrance:

One representative should present the total number of adults and children (**excluding Zoo Members**) in your group with payment. Exact payment is appreciated and will expedite your entrance to the Zoo. We accept check, cash, and credit card on the day of your trip. If you have registered for an Education Program, remember to submit your statement stub with your payment. **We cannot send an invoice after your visit. Payment must be received either the same day of your field trip or in advance.**

If anyone in your group is using a Zoo Membership, the admissions staff will need to see membership cards and photo identification at Admissions entrance. If a child is using the family's membership without the primary member in attendance, they will need to present a copy of the membership card along and a copy of the primary card holder's identification at the time of payment.

Parents or family members that are not included in your group rate will need to enter through General Admissions for admittance. The Admissions staff will have information on where family can meet their group once the group is through field trip check-in.

Food/ Picnic Grove:

No food may be brought into the Zoo.

- If you bring sack lunches, there are picnic tables located outside of the Zoo in Potawatomi Park (across the parking lot). Please prepare to store your own lunches until you plan on eating.
- Zoo Café, located on Zoo grounds, offers a variety of food and meal options. You can call (574) 235-7669 for menu information.

If you want to rent the Picnic Grove, you must include your request on the registration form.

- The Picnic Grove Rental allows your school access to the Picnic Grove for 1 hour.
- You are permitted to bring outside food and store your belongings in the Grove.
- Please be aware that the Grove is outside, does not lock, and is not exclusive to only one group. The Zoo is not responsible for lost or stolen items.
- The fee for renting the Grove is \$40 for 1 hour.
- The Zoo's Café is available for catering.

Attraction Tickets:

Attraction Tickets for the Potawatomi Zoo Train and Endangered Species Carousel are \$3.00 per person. Tickets must be purchased as a group; individual ticket purchases will not receive the discounted price. With a few days' notice, organization groups can plan ahead and have train and carousel tickets ready for pick-up and payment ahead of time, or on the day of your trip! Please submit your count on the registration form.

Education:

During your field trip, you may opt to schedule a 30-minute animal program offered by the Education Department. During your program, you will meet and learn about 2-4 different animals. Each program is \$60.00 and is generally limited to 35 people. Other arrangements can be made.

For more information or to schedule a program, contact Education at (574) 235-7621 or education@potawatomizoo.org.

Souvenirs:

The Gift Shop offers a variety of souvenirs for you and your students to remember your day at the zoo. Merchandise prices range from 6¢ and up. Gift bags may be purchased for students and picked up in the Zoo's main office. Please call (574) 235-5615 for more information.

- For safety, the number of students in the Gift Shop may be limited.
- Please have 1 chaperone per 10 students when inside the Gift Shop.

Rules:

During your field trip at Potawatomi Zoo, you are visiting the animals' homes, so please be respectful and follow these rules:

- Stay on all public pathways.
- There is no smoking or vaping allowed inside the zoo.
- Balloons are not allowed inside the zoo.
- Please do not run or yell inside the zoo.
- Students must remain with an adult chaperone at all times.
- Do not tap or bang on exhibit glass as this frightens the animals.
- Do not throw anything into the exhibits. The animals are on strict diets and ingestion of other objects can be harmful.

The Zoo Reserves the right to deny admission or require a person already admitted to leave Zoo grounds without a refund if we consider that the circumstances so require.

Notes:

The Potawatomi Zoo strives to have all of our animals on exhibit while the Zoo is open, but this not always possible. In the beginning of the season, some animals may still be in winter holding until the temperatures increase. During the summer months, extremely high temperatures will warrant a heat advisory, and animals will be given access to their indoor buildings.

If there is inclement weather, please plan accordingly. The Zoo Café may close during inclement weather.

There is only one public exhibit building on Zoo grounds. The giraffe barn has some public access. All other exhibits are outdoors.

The Zoo does not issue rain checks or refunds. Please call the Zoo at (574) 235-9800 if you must cancel your field trip due to inclement weather.
