Payment Information

Payments will need to be received 2 weeks prior to arrival with final group information. Anyone who is not pre-paid will need to go through General Admission and will be charged full admission price. Field trip items will be mailed to the specified address within 24 hours of payment. If payment has not been received by the specified 2 weeks, a designated person from your group will need to pickup the packet in person after payment. Payments made on the day of the visit will not receive the Field Trip Rate.
